Morning! Yes, Jim, Steve and I are taking the train into NWK that arrives at 9:41. Dana (and possibly Doug) is coming up today to tour Gowanus Canal and then attend the meeting tomorrow. Doug may be traveling with us tomorrow. I'm not clear on his plans. Bottom line is there will be 5 of us and yes starting at 10:30 sounds fine.

I got an email from OSRE yesterday. They are/were interested in a conference line to participate but I don't think they realized it was a day-long meeting. I shared the draft agenda with them and estimated that we'd start around 10:30 (good guess). I'm not sure of their final plans.

Should we all head to Walter's office when we arrive?
